Photo and Video Release Opt Out Form

Throughout the year, Red Creek Central School District students are photographed and video recorded as they participate in academic, artistic or athletic activities. The photos and videos are used to recognize students' accomplishments and activities throughout the year through school-related promotional and advertising materials disseminated to the public through print or electronic newsletters, email, website, social media, TV, print media, etc.

Parents: If you are OK with having your student's photo published, you do not need to fill this paper out. Thank you.

If you DO NOT want to have your child's photographic image to appear in public communications to promote school activities or recognize student achievement, please fill out the bottom part of this form and return it to the main office of your child's school. (This applies to the current school year only. Please fill out a new form each school year if you do not want your child's photo published.)
